

Creating a home-like environment

Staff Area:

- Hidden or smaller staff areas like antique work desks
- Separate enclosed work area for staff no visible to residents

Resident Rooms:

- Place secured laundry hampers in each room to avoid carts in the hallways

Activity Area:

- Cabinets on wheels as sub-dividers
- Call this space a living room to make it more familiar and comfortable

Hallways:

- Break up long hallways, distinguish doors from each other
- Personal art hanging in hallways

Dining Room:

- Break up with half walls, planters to make it feel cozier

Exterior:

- Landscaping
- Porch or Portico
- Picnic benches & seating at front
- Natural building materials such as wood
